# DO DE CLASSES TRANSFER TO OTHER COLLEGES?

- ✓ The state has identified courses which will transfer between the University System of Georgia Colleges
- ✓ Students can check the transferability of courses through GAtracs located at [www.GAfutures.org](http://www.GAfutures.org)
- ✓ Students will need to verify transferability to private and out of state colleges with those schools.

# LOCAL DE OPPORTUNITIES

**Most Allatoona students attend :**

---

- ✓ **Chattahoochee Technical College**
  - ✓ Can take Core & CTAE classes
- ✓ **Kennesaw State University**
  - ✓ Can take Core classes & Academic Electives

# ENROLLMENT OPTIONS

## Full-Time Student

- ✓ A full time DE student takes at least 12 hours of credit at the college (4 classes at the college)
- ✓ No classes are taken at the high school or through CVA or GAVS
- ✓ MUCH easier to schedule – no conflicts with the high school classes
- ✓ More challenging to get high school information and be involved with high school events

## Part-Time Student

- ✓ Students must take enough courses to total *at least* 4.0 units of HS credit each semester
- ✓ Absences and tardies ARE NOT EXCUSED! You MUST factor in extra time for parking, walking to/from class, etc.
- ✓ Schedules may conflict, despite your best efforts – you may need to adjust your schedule. MUST BE FLEXIBLE!
- ✓ Your high school classes come first when it comes to scheduling.

# EXTRACURRICULAR PARTICIPATION

- ✓ DE Students are still eligible to participate in high school sports, extracurricular activities, clubs, prom, graduation, etc.
- ✓ It is the student's responsibility to ensure extracurricular activities don't interfere with college course requirements and/or attendance.

Professors are NOT required to give makeups or alternate assignments.

# HOW MUCH DOES IT COST?

## WHAT IS COVERED?

- ✓ Dual Enrollment is FREE to ALL eligible high school students
- ✓ \*Includes REQUIRED Books and Fees
  - ✓ \*Students may incur expenses for course related fees and supplies required for a particular course or optional fee charged by the postsecondary institution. (sometimes tools and foreign language computer programs are not covered)
  - ✓ If the postsecondary institution provided the textbooks through a lending program, the student may be charged a lost or damaged book fee, up to \$75 or the cost of the book , whichever is less, if the book is not returned in the required condition.
- ✓ Funding up to 30 semester/45 quarter hours (about 10 college classes)
- ✓ Does not count against HOPE Cap Hours
  - ✓ Student will still be eligible for undergraduate semester hours upon graduation from high school

# REACHED THE FUNDING CAP?

## Self-Pay Option:

- The college will charge the student tuition, fees and books based on credit hours of enrollment not covered by Dual Enrollment funding.
- Must complete the Self Pay Approval form provided by your counselor.

**ALL classes will be posted to both your high school and college transcripts.**

# AWARDING CREDIT—HIGH SCHOOL TRANSCRIPT

- ✓ The college sends a copy of the transcript to the high school using letter grades.
- ✓ The high school converts the letter grades into a numerical grade to post to the CCSD transcript: A=95, B=85, C=76, D=72, F=69
- ✓ The high school and college grading scales may not be the same.
- ✓ Per CCSD policy, quality points are only added if the student has taken the highest level of a subject offered at the local school prior to taking the DE course.  
Ex. Student took AP US History at the high school, then takes HIST 2111/2112 at the college; they would earn extra quality points.
- ✓ College courses which appear on high school transcript do satisfy NCAA core-curriculum requirements.

# GRADES & GPA

- ✓ ALL Final grades will factor into your CCSD, High School HOPE & your College GPA's (DE Students are starting their college transcript in HS)
- ✓ High schools require a grade of a "D" or higher to earn HS credit
- ✓ IMPORTANT: Many colleges require at least a grade of a "C" or better to take the next course &/or transfer the credit.
- ✓ Students are also required to meet SAP (Satisfactory Academic Progress)  
*Failure to maintain will impact future funding beyond high school. Students that fall below the SAP requirement will not be eligible to receive Federal Funding (i.e. Pell Grant) or State Funding (i.e. HOPE)*

# Example

- ✓ ENGL 1101 will go on the High School Transcript as Advanced Composition

*Fulfills your 4<sup>th</sup> English required for HS graduation.*

- ✓ MATH 1101 will post as Mathematical Modeling

- ✓ MATH 1111 will post as College Algebra

*Both will qualify as a 4<sup>th</sup> Math option & fulfill your 4<sup>th</sup> math requirement.*

**Colleges typically use test scores to determine your entry level into Math.**

# What is Satisfactory Academic Progress (SAP)?

- ✓ Your SAP status is based on your entire academic record, at all colleges attended (includes all transferrable hours), regardless of whether you received financial aid.
- ✓ SAP is reviewed at the end of each term.
- ✓ **Financial Aid Warning:** allows the student to receive financial aid for one additional semester.
- ✓ **Financial Aid Suspension:** no longer eligible to receive financial aid
- ✓ Must meet SAP requirement before you can requalify for financial aid-will need to pay for school via self-pay, private loans and private scholarships.
- ✓ Check the individual colleges financial aid page for more information about their specific criteria.

**Bottom Line: Low or Failing DE grades can impact you beyond high school!!**

# CAN A STUDENT WITHDRAW FROM A DE COURSE?

Students CAN withdraw from college courses by the college deadline; however, it is **STRONGLY DISCOURAGED** for the following reasons:

1. Cobb County's policy on dropping DE courses states:

*If a student withdraws after the first 10 days of the high school term (summer, fall or spring); a grade of 10% will be recorded as the course grade and remain on the student's cumulative record. That failing grade is also calculated into the CCSD GPA.*

2. Students must maintain a full-time status (this includes high school classes)
3. If a student decides to withdraw from a class, they will only be able to do this with two courses over their time as a DE student. After that, they can no longer participate in dual enrollment. This also impacts your SAP.

# HOPE & DE

- ✓ HOPE will award .5 quality points for DE degree level courses up to a 4.0.
- ✓ Academic Degree-level DE courses are counted for the HOPE “rigor requirement.” (English, math, science, social sciences & World/Foreign Languages)
- ✓ Regular DE courses DO NOT count against your HOPE SCHOLARSHIP/ZELL MILLER cap hours (127 semester hours) for those planning to attend a 4-year Georgia college upon graduation.

- ✓ It is in your BEST INTEREST to be admitted well before course registration opens to have first shot at classes.
- ✓ Most colleges require you to attend orientation before you can register. This takes TIME!!!

# THINGS TO CONSIDER

- ✓ Most credits are NOT given quality points/weight for the Cobb County GPA
- ✓ Students are taking challenging classes taught by college professors. AHS students can and HAVE failed DE classes and been academically dismissed from KSU resulting in college GPAs below a 2.0.
- ✓ Students MUST take the American Lit EOC test at AHS
- ✓ Professors DO NOT/WILL NOT communicate with parents.
- ✓ College grades DO NOT appear in CTLS or ParentVue
- ✓ Students are treated as college students & will be in class with older college students
- ✓ Must maintain Satisfactory Academic Progress (SAP)

Behind the chairs is a large wall of floor-to-ceiling windows. The windows offer a view of a cityscape with buildings and trees under a sky with soft, white clouds. The overall lighting is bright and airy, with a warm, slightly reddish tint that matches the color of the chairs.

# THINGS TO CONSIDER

- ✓ College and high school calendars (breaks) often DO NOT align.
- ✓ Some competitive colleges may consider AP to be more rigorous than DE classes
- ✓ Some credits do not always transfer. Check out of state and private colleges.
- ✓ MUST provide your own transportation.
- ✓ Must factor in travel time, traffic, changing bell schedules, etc.
- ✓ Students MUST be on-time and attend ALL classes regularly; this includes both high school classes and DE classes.

# THINGS TO CONSIDER

- ✓ Lack of daily interaction with HS friends may impact relationships, school involvement, etc.
- ✓ The student may miss high school announcements and information distributed in homeroom. Students are responsible to find out info that they miss when they are not on campus.
- ✓ DE students are not allowed to be on the high school campus during the school day if not in AHS class.
  - ✓ This includes athletic fields, the media center, gym, cafeteria, classrooms, etc.
  - ✓ Exceptions to this rule include before/after school for extracurricular activities, to attend a scheduled high school class or to meet with a counselor.

# KEEP IN MIND...

- ✓ IT IS THE STUDENT/PARENT'S RESPONSIBILITY TO REVIEW ALL OF THE DUAL ENROLLMENT INFORMATION AND UNDERSTAND THE EXPECTATIONS AND REQUIREMENTS.
- ✓ DE IS RECOMMENDED FOR 11<sup>TH</sup> AND 12<sup>TH</sup> GRADERS
- ✓ COLLEGES HAVE SET THEIR OWN GRADE AND/OR AGE REQUIREMENTS
- ✓ ADMISSIONS REQUIREMENTS VARY BY COLLEGE.....
- ✓ FULL-TIME AND PART-TIME OPPORTUNITIES
- ✓ AVAILABLE DURING FALL, SPRING AND SUMMER SEMESTERS AT SOME COLLEGES
- ✓ NO RESIDENCY OR CITIZENSHIP REQUIREMENT
- ✓ ALLATOONA STUDENTS MUST APPLY BY THE ALLATOONA DEADLINE, NOT THE COLLEGE DEADLINE.
- ✓ APPLY EARLY TO MAKE SURE ALL OF YOUR DOCUMENTS HAVE BEEN SUBMITTED.
